St. Francisville, Louisiana

WEST FELICIANA PARISH TOURIST COMMISSION
ST. FRANCISVILLE, LOUISIANA

NOTES TO THE FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The purpose of this Commission is to develop and carry out programs designed to promote tourism in West Feliciana Parish.

The Governmental Accounting Standards Board (GASB) was established to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities.

A. Financial Reporting Entity

This report includes only the funds and activities of West Feliciana Parish Tourist Commission. The Commission's governing board is appointed by the West Feliciana Parish Police Jury. The Board exercised all administrative functions with respect to the operation and management of the West Feliciana Parish Tourist Commission. The West Feliciana Parish Tourist Commission is a component unit of the West Feliciana Parish Police Jury.

This report includes all funds, account groups and activities that are within the oversight responsibility of the Commission. Oversight responsibility was determined by financial interdependency, election of governing authority, designation of management ability to influence operations, and accountability of fiscal matters. Certain units of local government which the Commission exercises no oversight responsibility, such as the Parish Police Jury, the Parish School Board, other independently elected parish officials, and municipalities within the parish, are excluded from the accompanying financial statements. These units of Government Issue financial statements separate from that of the Commission.

B. Fund Accounting

The accounts of the Commission are organized on the basis of funds. Revenues are accounted for in these individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The funds presented in the financial statements are described as follows:

General Fund

The General Fund is used to account for the operations of the Commission office. The various taxes paid to the Commission are accounted for in this fund. General operating expenditures are paid from this fund.

NOTES TO THE FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

C. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The governmental fund is accounted for using the cash basis of accounting. Its revenues are recognized when they are collected.

Expenditures are generally recognized under the cash basis of accounting when the expenditures are paid.

D. Budget Practices

Annually, the Commission adopts a budget for the General Fund. A public notice of the proposed budget is published and a public hearing is held on the budget. The General Fund budget is prepared on the cash basis of accounting and includes original adopted budgeted amounts and all subsequent amendments. All annual appropriations lapse at fiscal year-end.

A requirement of Louisiana Revised Statute 39:1310 is that an amendment is necessary when actual expenditures plus projected expenditures for the remainder of the year, within a fund, are exceeding budgeted expenditures by five percent or more.

2. Cash

At December 31, 2001, the carrying amount of the Commission's deposits was \$28,449 and the bank balance was \$30,942. Of the bank balance, the entire amount was covered by federal depository insurance.

Independent Accountants' Report On Applying Agreed-Upon Procedures

To the West Feliciana Parish Tourist Commission

We have performed the procedures included in the *Louisiana Government Audit Guide* and enumerated below, which were agreed to by the management of West Feliciana Parish Tourist Commission and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about West Feliciana Parish Tourist Commission's compliance with certain laws and regulations during the year ended December 31, 2001 included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding \$15,000, or public works exceeding \$100,000, and determine whether such purchases were made in accordance with LSA-RS 38:2211-2251 (the public bid law).

No expenditures were made during the year for materials and supplies exceeding \$15,000 or for public works exceeding \$100,000.

Code of Ethics for Public Officials and Public Employees

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided us with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided us with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

There were not any employees for the year ended December 31, 2001.

Budgeting

5. Obtained a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original budget and the budget amendments.

6. Trace the budget adoption and amendments to the minute book.

We traced the adoption of the original budget to the minutes.

Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5% or more or if actual expenditures exceed budgeted amounts by 5% or more.

We compared the revenues and expenditures of the final budget to actual revenues and expenditures. Actual revenues and expenditures for the year did not exceed budgeted amounts by more than 5%.

Accounting and Reporting

7. Randomly select 6 disbursements made during the period under examination and:

- (a) trace payments to supporting documentation as to proper amount and payee;

We examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

- (b) determine if payments were properly coded to the correct fund and general ledger account; and

All of the payments were properly coded to the correct fund and general ledger account.

- (c) determine whether payments received approval from proper authorities.

Inspection of documentation supporting each of the six selected disbursements indicated that approvals from the proper authorities were obtained.

Meetings

8. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

West Feliciana Parish Tourist Commission is only required to post a notice of each meeting and the accompanying agenda on the door of the commission's office building. The commission also publishes notices of its meetings in the town newspaper.

Debt

9. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

We inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses

10. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

We inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

Our prior year report, dated June 26, 2001, did not include any comments or unresolved matters.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of West Feliciana Parish Tourist Commission and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
